The image shows a chalkboard with a wooden frame. The board is black and has the title '१० का पहाड़ा हिन्दी में' written in yellow. Below the title, the multiplication table for 10 is written in white. The table consists of ten rows, each representing a multiplication of 10 by a number from 1 to 10. The background of the board is green with faint white drawings of a building, a frog, and a tree. The board is decorated with colorful bunting flags at the top. In the foreground, there is a stack of three books (red, blue, and yellow) on the left and two pencils (blue and pink) on the right. The website address 'www.hinditable.com' is printed twice: once vertically on the right side of the board and once horizontally at the bottom center.
